

Atlas Living

building your vision

Marylebone, NW1

Brief

A fabulous four bedroom flat situated just off Marble Arch that was fully refurbished. The client had very high expectations and wanted Atlas Living to manage the whole process from sourcing bespoke furniture to redesigning and fitting a new kitchen. Atlas Living was on site everyday ensuring each stage of the project went smoothly and that all deadlines were kept.

Summary

The flooring in the hallway was replaced with natural oak wood flooring. All 3 bedrooms were re-carpeted and painted. Bespoke cupboards were built on site for the master bedroom and shelves were built in the media room to fit a very specific space. Both bathrooms were redesigned to maximise natural light and space.

Details

Atlas Living installed a new audio visual system with cat 5 cabling throughout the flat, installed a new heating system and boiler and re-wired the whole flat. The kitchen was re-designed by Atlas to the highest standard which included a breakfast bar, substantial storage space, functional cooking area and ceramic tiled flooring.
